<b>STATE TOTALS</b>				<b>\$360,691,433</b>	<b>\$11,804,929</b>

**NOTES:**

The Federal Department of Education awarded 50 percent of the IDEA, Part B Grants to the States (Basic) and Preschool Grants ARRA (Stimulus) funds to SEAs on April 1, 2009. The other 50 percent will be awarded by September 30, 2009. These awards will be in addition to the regular fiscal year SFY 2010 Part B Awards that will be made on July 1, 2009 (Basic and Preschool Grants) and October 1, 2009 (Basic Only). Together, these awards will constitute an LEA's total SFY 2010 Part B Basic and Preschool allocations.

Procedure for Allocations(as specified by the Federal government): Because the formula for making allocations to LEAs under the IDEA was designed to allocate one lump sum per fiscal year, the LEA allocations, for both Basic and Preschool Grants, must be calculated using the sum of IDEA Part B Stimulus funds and IDEAS regular FY 2010 state allocations, it is possible to get the total allocation for each LEA for each program, which then must be divided into "Stimulus" and "regular" amounts for the LEA allocations.

Step 1: The SEA makes its set-aside decisions, under sections 611(e) and 619(d) of the IDEA, for administrative and other state-level activities. Based on the federal recommendation New Jersey has taken the set-asides from the regular allocation.

Step2: Deduct the amount of reserved funds from the state's FY 2010 regular IDEA allocations.

Step3: Determine the total allocation level for each of its LEAs by calculating allocations based on the sum of available FY 2010 IDEA Part B Stimulus and regular allocations.

Step4: Determine each LEA's regular allocation by calculating allocations based ONLY on the FY 2010 IDEA regular state allocation amount (after set-asides are subtracted and previous year unexpended state level funds are added). Each LEA's Stimulus allocation is then the difference between the total allocation and the regular allocation.
